

INTRODUCING THE NEW VARSITY

F7AiR

The F7 AiR Varsity carries forward the popular look of the F7 Pro, now built for every level of play. With the onboard AiR-Lock System, lighter weight, sleek rear diffuser, Tektonic Mohawk, and Virginia Tech 5-Star safety rating, it delivers F7 Pro-inspired style with advanced fit, performance, and protection.

VIRGINIA TECH
HELMET RATING

5 ★★★★★

F7AiR

- **Virginia Tech 5-Star Rated:** Top-tier independent safety rating.
- **Onboard AiR-Lock System:** Full-wrap coverage locks the helmet in at the back and sides for a secure, personalized fit athletes can adjust on the fly (no hand pump required).
- **Automotive-Inspired Rear Diffuser:** Sleek design lowers the helmet on the back of the head, improving comfort and fit.
- **Tektonic Mohawk:** Reactionary impact-reduction system for enhanced protection, style, and performance.
- **RFLX-S Impact Layer:** Absorbs and deflects forces in sync with the one-piece shell design.
- **Fusion Hardcup Chincup:** Durable and protective.
- **Exclusive Oakley™ Switch Visor:** Not included. Available on Elite or on schuttsports.com

F7AiR ELITE

[Includes all Varsity standard features, plus the following upgrades]

- **Exclusive Oakley™ Switch Visor (Clear):** Developed specifically for the F7 helmet platform and gives edge-to-edge protection and performance along with toolless installation.*
- **ANKR Locks:** Mid-point hookup locks in chinstrap, located to reduce friction on impact.
- **Quarter-Turn Safety Hardware:** Fast attachment/removal with two turns and a twist.
- **Titanium Pro Style Facemask:** 60% lighter than carbon steel.
- **Fusion Elite Hardcup Chincup:** Elevated comfort and protection.

REAR DIFFUSER

Automotive-Inspired Rear Diffuser: Sleek design lowers the helmet on the back of the head, improving comfort and fit.

NEW CUSTOM OAKLEY VISORS

Upgrade your game with the **Exclusive Oakley™ Switch Visor**, designed for unobstructed full field of view and maximum performance.
